### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or render obvious a thermal barrier coating as described in the instant claims. Specifically, the prior art of record does not teach or provide motivation for the combination of an upper layer and a lower layer in a thermal barrier coating having the specified crystalline phases and compositions as recited in the instant claims. Applicant's arguments and amendments have overcome the 112, second paragraph rejections of the previous action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
